

ALUMINIZED FABRIC

ARTICLE INFORMATION SHEET

A Safety Data Sheet (SDS) has not been prepared for these products because they are **articles** as defined by hazard communication regulations such as the Occupational Safety and Health Administration’s Hazard Communication Standard (29 CFR 1910.1200(b)(6)(v)): “**Article**” means a manufactured item other than a fluid or particle: (is) which is formed to a specific shape or design during manufacture; (ii) which has end use function(s) dependent in whole or in part upon its shape or design during end use; and (iii) which under normal conditions of use does not release more than very small quantities, e.g., minute or trace amounts of a hazardous chemical, and does not pose a physical or health risk to employees.

Article Identification

- Product Family** : High Temperature Aluminized Fabric
- Product Names** : 3R70100AL / 3R70101AL / 3R70102AL / 3R70103AL
- Product Form(s)** : Broad Cloth - Various Dimensions
- Intended Use** : High Temperature Heat Reflective Applications
- Manufacturer** : **INDUSTRIES 3R INC.**
55, road 116 West, Danville QC , J0A1A0

- Emergency telephone number** : (819) 839-2793 / (800) 567-2728

Advisories

There are no known or identified hazards associated with normal use of this material as intended by the manufacturer.

This product is self-extinguishing and tends to smolder when exposed to open flame. Extinguish with water, chemical foam, dry chemical, CO₂ and/or smother.
